

City of Newcastle Monthly Snapshot - March 2020

3 month target = 25%

Prepared by: Don Palmer

Total General Fund Revenue - The total revenue is \$1,289,704 from a budget of \$9,813,025 representing 13.1% collected. The first quarter property taxes are lower with the fist half year due in April to May. However, year over year retail sales tax and property tax is slightly higher. The Golf Course sold January and may contribute to higher property tax collection when taxes are prorated and paid at escrow. Regarding development revenue the City planned for many projects that were deferred last year and is scheduled this year. In early March we recieved the monies from Quadrant Homes. However, since COVID 19 development revenue has stalled in the last half of the month. We will continue to monitor development revenue in the coming months.

Other Licenses & Permits - The total revenue is \$134,478 from a budget of \$363,875 representing 37% collected. Annually at the beginning of the year monitored alarm device fees are collected and we are seeing that at 101% (\$46,370) from a budget of \$45,900.

Real Estate Excise Tax Revenue - REET revenue collected was \$438,711 from a budget of \$1,100,960 representing 39.8% total collected. January sale of the the Newcastle Golf Course provided \$141K in REET revenue. Magic Radiance Limited purchased the golf course from a company in Samoa for approximately \$28.2M.

Because this report has only three months financial data this report is too early to provide any meaningful financial status on any revenue or expenditure category.
