Expenditure Summary:

Total expenses continue to track under budget. With the City Manager resignation Executive expenses are 76.8% expended. The former City Manager final paycheck was paid in June.

Of note, Community Development professional services budget does not reflect expenses incurred outside of normal planning projects, since larger projects that would require these services are not yet underway.

Normally, the first of two installments for each of the interlocal public safety agreements for police and fire services are reflected in May and the police contract for the first months was paid in June. The June King County Sheriff's Office invoice was paid in early July.
